

GENERAL STUDIES - PRELIMS

INDIAN ECONOMY, GEOGRAPHY, ENVIRONMENT, ART & CULTURE,
MODERN INDIA, INDIAN POLITY, SCIENCE & TECHNOLOGY

&

CURRENT AFFAIRS

Why Kumaran IAS Center is Crucial for Prelims Preparation?

- Preliminary course helps you in preparing parallel for Prelims and Mains topics at the same time.
- This course cover G.S Paper-I in Prelims as well as many areas of G.S Paper-I, G.S Paper-II & GS Paper-III in Mains.
- A quality study material is readily NOT available for Indian Economy (with the background concepts) in the form of books as well as coaching institute material. (exclusively for UPSC)
- Art & Culture plays a vital role in keeping edge over other aspirants in G.S Paper-I Prelims as well as many areas of G.S Paper-I Mains.
- Complete subject of Art & Culture material is readily NOT available in the form of books as well as coaching institute material.
- To answer Environment questions better in Prelims & Mains a solid foundation in Geographical concepts is needed.
- Current affairs dealt in this course will fetch you good marks for Current affairs related questions and provide a solid base for GS Mains.
- Also, Subjects in this course are very demanding with respect to understanding of concepts because of multidimensional nature of each subject.
